

April 8, 2024

Dear Parents and Guardians,

We are aware that families face financial challenges in this economy. Occasionally a family may need help in sending their child/children to camp. If you are in need of financial assistance to send your child to camp our Campership may help. We have helped numerous children in the past attend their favorite camps. Two \$250 Camperships (one for grades 3-5, and one for 6-12) will be awarded.

Whether your child has attended camp before or hopes to go for the first time he/she may apply for our Camperships. Please have your child write a letter expressing why he/she wants to attend their favorite camp. For our younger applicants, pictures and simple sentences are welcome in their request for a Campership!

The letters are due back for review by the PTO by May 31st, 2024.

Sincerely,

The BCS PTO
